

One 'N' Only®

FORTIFIED WITH
ReSTORE™

US Patent # 4,847,095
US Patent # 5,053,235
Canadian Patent # 1,337,385

US Patent # 5,077,068
US Patent # 6,858,239
Australian Patent # 5,053,235
Patents Pending

For all Classes of Horses

GUARANTEED ANALYSIS:

Crude Protein, minimum	11.00%
Crude Fat, minimum	1.50%
Crude Fiber, maximum	23.00%
Calcium (Ca), minimum	0.40%
Calcium (Ca), maximum	0.80%
Phosphorus (P), minimum	0.45%
Copper (Cu), minimum	40 ppm
Selenium (Se), minimum	0.30 ppm
Zinc (Zn), minimum	160 ppm
Vitamin A, minimum	4,000 IU/lb

INGREDIENTS:

Grain Products, Processed Grain By-Products, Roughage Products (27%), Forage Products, Plant Protein Products, Dried Condensed Corn Fermentation Solubles, Salt, Calcium Carbonate, Monocalcium Phosphate, Calcium Propionate, Glutamic Acid, L-Lysine, DL-Methionine, Vitamin A Supplement, Vitamin D Supplement, Vitamin E Supplement, Choline Chloride, Vitamin B-12 Supplement, Riboflavin Supplement, Niacin Supplement, Calcium Pantothenate, Menadione Sodium Bisulfite Complex, Thiamine Mononitrate, d-Biotin, Folic Acid, Pyridoxine Hydrochloride, Potassium Sulfate, Potassium Chloride, Magnesium Sulfate, Magnesium Oxide, Ferrous Sulfate, Zinc Oxide, Manganous Oxide, Copper Sulfate, Ethylenediamine Dihydriodide, Sodium Selenite, Citric Acid (as a preservative), Natural Mixed Tocopherols, Rosemary Extract, Natural and Artificial Flavors.

What is Wendland's One 'N' Only®

ONE 'N ONLY is a patented feed which was developed and formulated to serve as a Free Choice Complete Horse Ration for all classes of horses. The extrusion process used to manufacture **ONE 'N ONLY** uniformly blends all ingredients, then cooks and expands it so that each nugget has the identical nutrient composition completely balanced for energy, protein, vitamins and minerals. Visit our website @www.wendlands.com or call toll free 1-800-792-3038.

What is ReSTORE™

ReSTORE™ is a patented dietary supplement developed by veterinarians and designed to maximize digestive efficiency in horses. **ReSTORE™** works by stimulating the growth of the bacteria in the large bowel. Horses depend upon these bacteria to process their feed, By increasing and stimulating these bacteria, digestive efficiency and nutrient utilization is enhanced.

ReSTORE™ is manufactured and distributed by Biovance Technologies Inc. Visit their website @www.restoreforhorses.com or call toll free 1-877-246-7500.

FEEDING DIRECTIONS:

Wendland's **ONE 'N ONLY** fortified with **ReSTORE™** is designed to be self-fed to pleasure horses, gestating and lactating mares, and growing horses.

Blend **ONE 'N ONLY** fortified with **ReSTORE™** into your current ration, taking 3 to 5 days to get to a full feed of **ONE 'N ONLY** fortified with **ReSTORE™**. Once horses are adapted to a full feed of **ONE 'N ONLY** fortified with **ReSTORE™**, self-feeders or large feed troughs should be filled and horses allowed full access to **ONE 'N ONLY** fortified with **ReSTORE™**, the horses will soon change their eating habits to eat whenever they desire. The unique patented formulation and particle size, shape and texture of **ONE 'N ONLY** fortified with **ReSTORE™** eliminates sorting and decreases rate of feed consumption, thereby avoiding potential digestive upsets.

ONE 'N ONLY fortified with **ReSTORE™** may also be self-fed to horses on pasture. Consumption will vary according to pasture quality and quantity.

Horse feeds should always be protected from the elements and not allowed to become moldy.

ONE 'N ONLY fortified with **ReSTORE™** is a complete ration. No additional grain, hay supplements or premixes are needed.

ONE 'N ONLY fortified with **ReSTORE™** totally replaces traditional horse feeding methods, This revolutionary feed of the future allows horses to eat as nature intended. The patented **ONE 'N ONLY** fortified with **ReSTORE™** gives horses all the necessary nutrition to thrive, and gives the horse owners the freedom and peace of mind to enjoy their horses.

Try **ONE 'N ONLY** fortified with **ReSTORE™** with your regular feed, or hand feed at first if you wish. Then gradually feed it exclusively.

Put **ONE 'N ONLY** fortified with **ReSTORE™** into a large trough for the horse to graze on demand. Your horse may eat a large amount at first, but that is no cause to worry. The large chunks of **ONE 'N ONLY** fortified with **ReSTORE™** make it more filling and more easily digested, so there is no danger of overeating, however, animals should not consume more than 2.5% of their overall body weight. If this occurs, feed with free choice hay to limit feed consumption.

Provide a source of clean fresh water daily.

Those who have tried **ONE 'N ONLY** fortified with **ReSTORE™** endorse it and recommend it to others.
