| Crude Protein, not less than | 32.00% |
| Crude Fat, not less than     | 2.00%  |
| Crude Fiber, not more than   | 8.00%  |
| Phosphorus, not less than    | 0.70%  |

### **INGREDIENTS:**

Grain Products, +Processed Grain By-Products, Forage Products, Roughage Products, Molasses Product, Calcium Carbonate, Monocalcium Phosphate, Salt, dl-Methionine, L-Lysine, Vitamin A Supplement, Vitamin D<sub>3</sub> Supplement, Vitamin E Supplement, Riboflavin Supplement, Calcium Pantothenate, Niacin, Choline Chloride, Vitamin B<sub>12</sub> Supplement, Menadione Sodium Bisulfate Complex, Sodium Selenite, Manganous Oxide, Zinc Oxide, Ferrous Sulfate, Copper Sulfate, Ethylenediamine Dihydriodide, and Cobalt Carbonate.

### **FEEDING DIRECTIONS:**

Feed Wendland's GroFish at the rate of 3 lbs per 100 lbs calculated fish weight per day. It is best to feed in two or more feedings at regular times of the day. Occasional weighing of individual fish will help in figuring the approximate weight of fish in each pond. Do not overfeed, as wasted feed will tend to remove oxygen from the water. Feed in the same locations each day. Adjust feed to amount fish will readily consume after fish become accustomed to feeding locations and times.
