

CHICKEN & PORK RECIPE ATHLETE

Dog Food for All Life Stages

Net Weight: 40lbs (18.14 kg)

Product Benefits

Athletic pups, working dogs and hunting hounds require dietary help to fuel their energetic lifestyles. Red River Pet Foods offers a specially made athlete formula complete with key ingredients like Glucosamine and Chondroitin. The combination has been shown to increase joint health while higher animal protein and fat content help boost energy levels. These all-natural, non-Chinese ingredients are locally sourced from Red River states, creating a quality formula that's specialized just for your active canine companion.
