

Sunglo 4-Sure

Sunglo 4-Sure is a water-soluble electrolyte, amino acid, energy, and vitamin mixture to use during times of stress and during the final conditioning period prior to the show. Sunglo 4-Sure is extremely palatable to encourage feed or water intake and provide supplemental nutrition. Use 5 ounces per treatment (mix 1 pint of water or top dress on feed). Sunglo 4-Sure is available in a 10-pound pail or plastic tub containing 10-5 ounce packets.
