

Final Control

Final Control is a unique “top-dress” designed for use with Akey or Sunglo formulated show feeds when total feed intake is being restricted to achieve desired body condition. Final Control supplies critical nutrients needed to maintain muscle mass during a “holding” program. Feed 1 pound per day of Final Control when restricting total feed intake to 4 pounds per day or less. (1 lb of Final Control is normally mixed with 2 lbs of show feed when holding total feed intake to 2 lbs per day)
